Sir:

The above-identified application contains sequences of nucleic acid and polypeptides. A sequence listing was prepared for parent application, U.S. Application Serial No. 09/459,201, filed December 10, 1999, in paper and computer-readable format. The sequences in the present application are identical to those presented in the parent application. Therefore, please transfer to this application, in accordance with 37 CFR 1.821(e), the computer readable copy from applicants' parent application.

Applicants respectfully submit that the present patent application is now in compliance with 37 CFR 1.821-1.825.

Respectfully submitted,
